

Kapunda Business Alliance

Engaging, promoting and supporting business in Kapunda

Interim Chairman's message

Firstly, my name is Matt Moate; I am honoured that the committee of the Kapunda Business Alliance saw fit for me to undertake the important position of interim Chair until the AGM in December where members will have the opportunity to elect the relevant committee positions. I also congratulate Philippa Faulkner who was elected as interim Treasurer.

I live in Kapunda with my partner Katharine Crane and our daughter Matilda who joined us shortly after our arrival to town in November 2015. Kapunda offered an exceptional opportunity for us as first home buyers, working in and around the wine, food and hospitality sector to base our family. It is something that I see as a big opportunity for the town into the future as working from home is now here to stay. As a township we can certainly promote the benefits of regional living with the proximity to the city.

I have a strong background in not-for-profit groups at both board and executive level with my most previous role as CEO of national body Wine Industry Suppliers Australia Inc (WISA). I understand the needs of members and the differing expectations from individuals and groups. My driving objective however is to listen and act on the most pressing challenges and opportunities with a focus on doing together what any individual business cannot do for themselves, this is what I see as the key reason for Associations. Having left WISA in mid-2020 I have begun a successful consultancy in supporting new and innovative businesses that supply products and services to grape and wine producers. I support them through business development consulting to accelerate the adoption of their innovation and technology. I have brought a similar focus to the KBA over the past 9 months with looking at ways we can streamline processes through technology to make it easy for members to join, renew and engage in events. This will also assist reduce the manual workload of committee and volunteers and ensure that as committees change the right processes are in place for longevity of the Association.

All of this however, while generously supported by several volunteers, does come at a cost and with majority of the members renewals now due I urge you all to renew (and join). Once the foundations of the Association are set, after this most recent COVID reset, we can as a group build greater value for members. These priorities include assisting to create opportunities to increase visitation to the town, accessing and supporting grants to improve town facilities and attractions, training and education for members to improve their businesses and advocacy on matters to Council and State Government.

Lastly, I wish to offer my absolute thanks and congratulations to Bill Adams as outgoing Chair. I don't think anyone in the town can argue his passion and dedication for the success he has helped our town achieve. He has set a very high bar and I look forward to taking his counsel as I settle into this role. The work he has done, relationships he has built and success he has delivered for all of us in Kapunda will remain a lasting legacy, for which I congratulate him (as you should too when you see him next).

As the Chair, I plan to reach out to members over the next few months to speak with you individually about the challenges and opportunities you see for your business and how the Kapunda Business Alliance can support you and the town together.

If you'd like to reach out beforehand, my number is M 0409 783 221 and I'd be happy to chat. Matt Moate.

Dates settled for the

KAPUNDA MAKERSMARKET

The KBA is proud to announce that it is supporting a monthly market to showcase the best of Kapunda.

The Kapunda MAKERSMARKET is a curated event showcasing quality design, craft and produce. To be held monthly from November to April, the MAKERSMARKET is targeting an audience of local, regional and state wide market lovers. Putting Kapunda front and centre, the market will be held in the town square on Main Street and will showcase everything that we love about Kapunda – our heritage, our creativity and our fabulous businesses.

Put the following dates in your diary and join us at the market from 10am to 2pm in the Kapunda Town Square on Main Street: Sunday November 21; Sunday December 19; Sunday January 16; Sunday February 20; Sunday March 20; Sunday April 17.

Three categories of stallholders are being invited to apply: Makers, Bakers and Growers. Stall numbers are limited and priority will be given to regional artisans meeting the brief of quality handmade products. If you – or someone that you know – fits the brief then we'd love you to apply.

Go to MakersMarketKapunda.com to read more about the market and to complete an application form. We can't wait to see the amazing work of our local artisans...and we can't wait to see you all in town on November 21!

Kapunda Senior Citizens Club Inc

Kapunda Senior Citizens Club Inc is proud to be a member of the Kapunda Business Alliance. We have been meeting since July 1969 — 52 years and still going strong!

Meetings were first held in the old Methodist Church until 1976 when we moved to the current position in the old Congregational Hall at 5 Chapel Street. In 1977 the Congregational Church handed over the Hall to the Kapunda Senior Citizens Club and it was renamed Kapunda Senior Citizens Club Inc Hall. The Church very generously asked only for the cost of the transfer fees to be met by Kapunda Senior Citizens Club. In 2013 the Hall was taken over by Light Regional Council who maintain the building and have made many improvements to it including a huge extension. The Club has a lease agreement with the council. The hall now boasts a state-of-the-art hall, kitchen, foyer, office, storerooms, bathrooms, an indoor bowling hall and petanque court.

In recent years the club has markedly expanded its programs and membership base to include:

- Founders group who meet fortnightly for fun, fellowship, outings and learning
- Easy Moves group who meet twice weekly to improve fitness, strength and balance. These are run by our trained volunteer leaders Janet Will, Nienske Maitland and Marilyn Aucote
- Indoor Bowls group who meet weekly
- Painting group who meet weekly under the tutoring of Maxine Donald
- Computer course as part of the Kapunda Library's "Be Connected" Program meeting fortnightly.

We now have over 80 members from Kapunda and surrounding areas. We are a vibrant group supported by a very dedicated Committee and our volunteer Admin Assistant. We have an **Open Day** at the hall in conjunction with Barossa Village on the 7th October between 10am and 2pm so please come along and see what we offer. We would love to see you.

We thoroughly enjoy welcoming new members. The only criteria for membership is to be 50 years young or over and looking for fun, fellowship and opportunities to learn new skills.

Membership costs \$15 per year and each program has an additional fee for every session to recover costs.

For more information contact **Janet Will** our very hard-working President on 85663070 or 0418824680 or send us an email on admin@kapundaseniors.com.au

Retired Chairman of the KBA **Bill Adams** nominated Kapunda for the S.A. Agricultural Town of the Year Award.

It was pleasing to learn that Kapunda, for the third year since inception was one of the five towns selected as a finalist. To be successful, Kapunda had to be in the state's top five vote getters, so it is opportune to sincerely thank everyone who voted for Kapunda against the other 58 towns competing. Finalists include Kimba, Orroroo, Booleroo Centre and Mypolonga.

We will be visited by three judges later in October and the winner will be announced in November at a city function.

Here`s hoping it is third time lucky!

Hail in Kapunda...
September 30, 2021. Residents were treated to a spectacular, but unnerving hail storm that left the town blanketed in white.

K

Business name: *Karen`s Clearance Shoes***Owner`s name: Karen Harding***Brief overview of my background:*

Work opportunities brought me to Kapunda 27 years ago. My background is retail (Woolworths, Foodland and Peoplestores). After 6 years as a process worker at Angas Park in Angaston, I saw an opportunity to open a shoe store in Kapunda. A suitable shop with a reasonable rent was available at 29 Main Street, from where I still carry on my business.

When did my business open? August 2010.

What does my business offer? Shoes, hand bags, work boots, ug boots, men`s and ladies` slippers, backpacks, socks, moccasins, beanies, men`s work clothing, shoe accessories, and farm fresh fruit and vegies. I have marked every stock item well below the recommended price which keeps people shopping in Kapunda and still gives me a modest return. A fair percentage of my business comes from tourists who like the wide variety available and the price tags.

Why did I choose to open my business in Kapunda? The town is friendly, not too big or too small and its location within minutes of the Barossa, Clare valley, river towns and an hour to the big smoke is an admirable fit. Our health and retirement facilities are also an attraction.

What`s been my biggest highlight so far? Over the years I have made many friends which I value highly. Talking to visitors/tourists about where they come from and asking “why Kapunda” they nearly always say the lovely old buildings and it is a friendly place to visit. Between customers I usually find time for a chat, not something they experience in bigger shops.

Shop opening hours are: Monday to Friday, 9.30 a.m. to 5.30 p.m. Saturday, 9.30 a.m. to 2 p.m.
